

# La Stone Therapy

**Untangle you mind and let the tension go with our intensely relaxing La Stone Therapy.**

This highly effective therapy can be traced back to the American Red Indians. The use of warm basalt stones in combination with deep massage techniques and essential oils combine to simply melt away hidden tension and stress. A complete head to toe experience that you will never forget. Relax while stress, aches and pains simply melt away.

Gorgeous believe in providing our clients with the very best in deep healing therapies and continuously explore new ideas to bring you those. La Stone Therapy originated from the American Indians and involves the careful placement and application of heated volcanic stones to precise points over the body.

It offers relief from the stresses of every day as well as many ailments including chronic back pains, rheumatism and sports injuries. Or you could just want to indulge yourself or someone else with this incredibly relaxing treatment
